

International Council of Consultants

## AN ORGANIZATION OF INTERNATIONAL PROFESSIONALS

*A Consultant as an expert gives overall guidance in the required field, where basic knowledge just does not suffice. Skilled Consultancy Services allow integrated solutions apt for any specified project. International Council of Consultants act as a link between Consultants and Organizations. ICC members are Consultants equipped with divers skill sets offering services to myriad projects.*

Tel: 01141617461, Fax: 011-26434019

Email: [icc@iccindia.org](mailto:icc@iccindia.org) & [info@iccindia.org](mailto:info@iccindia.org)

Web: [www.iccindia.org](http://www.iccindia.org)

## Preamble

*The specialized role of consultants increasingly play a significant role in an economy which is global, robust, dynamic & competitive. The need of consultants across diverse sectors including Banking, Construction, Education, Management, Energy, Environment, Governance, IT, Law, Engineering, Trade, Transport and others is felt more now with high emphasis on life cycle costs and sustained development. Globalization and the emerging regional alliances are also expanding the physical boundaries of operations of consultants.*

## Vision

*To foster ideals of profession, promote cooperation amongst the consultants, establish rules for professional ethics & conduct, to develop social awareness and responsibility among the members.*

## Mission

- *To provide a common forum for mutual interaction and co-operation amongst the consultants*
- *To propagate and popularize the concept of globalising norms and standards of the professional services provided by the consultants*
- *To provide assistance, guidance and information relating to facilities for all types of domestic, international & commercial consultancy*

- *To accentuate the importance of efficiency in providing services to the business community and the need for qualitative upgradation of professional services*
- *To identify the problems of commercial consultancy and suggest ways and means of overcoming any constraints experienced by the professionals*
- *To disseminate information through publication in the form of Magazines, Journals, News Letters related to fields of commercial consultancy*
- *To organize seminars, conferences, workshop & study groups in India & abroad*
