About Construction Industry Development Council

The Construction Industry Development Council (CIDC), has been set up jointly by the Planning Commission, Government of India and the Indian construction industry. We are an umbrella organization for the construction industry in India and have a national presence with branches across the country.

CIDC undertake a wide range of activities to benefit the construction industry. This includes conducting training at various levels, organizing workshops and conferences, publishing journals and newsletters.

About International Council of Consultants

International Council of Consultants (ICC), as the apex representative organization of consultancy services was constituted under the patronage of Former Chief Justice of India Mr. Y.V. Chandrachud and several other senior luminaries from Engineering Profession, Mr. R.S. Pathak and Former Judge of Supreme Court of India Mr. H.R. Khanna. Dr. P. R. Swarup, is presently the President of ICC.

About Rajiv Gandhi Proudyogiki Vishwavidyalaya

Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal, established in 1998, is a premier technical university in Madhya Pradesh, India. It serves as an umbrella institution for engineering, technology, pharmacy, and applied sciences, affiliating over 400 colleges across the state. RGPV is known for its emphasis on innovation, research, and skill development, aligning with national education policies to enhance employability. With a sprawling campus, advanced laboratories, and industry collaborations, the university fosters a dynamic learning environment. It actively promotes entrepreneurship, digital learning, and interdisciplinary research, making it a key player in shaping the future of technical education in India.

About Indian Society for Trenchless Technology

Indian Society for Trenchless Technology (IndSTT) is the autonomous apex organisation to promote the application of Trenchless Technology in India. It was established in 1995 and registered under SR Act of 1860 with registration number 32943 of 1998. Founders of this Society include various luminaries from the Construction Sector. Society is formed by its members and the Membership is open to all the interested persons and organizations. During this period of twenty two years, since its inception, IndSTT has taken up various initiatives to develop and popularize the application of Trenchless Technology in the nation. To know more about us or Trenchless Technology, visit the links.

ABOUT THE SEMINAR

The New Education Policy (NEP) 2020 emphasizes skill-based learning to bridge the gap between education and employability. This seminar aims to provide a platform for educators, policymakers, and students to understand how skill development initiatives under NEP 2020 can enhance career opportunities. The event will highlight the transformative role of "Bhartiya Gyan Parampara" in fostering holistic education and skill development.

KEY HIGHLIGHTS

- Overview of NEP 2020 and Its Focus on Skill Development
- Discover the guiding principles of NEP 2020 for skill-based learning.
- Learn how NEP 2020 aims to prepare students for the future job market.
- Vocational Training & Industry Integration in Colleges
- Explore successful models of integrating vocational training with mainstream education.
- Understand the role of industries in providing real-world training to students.
- Role of Technology in Skill-Based Learning
- Witness how digital tools and platforms are revolutionizing education.
- Learn about cutting-edge technologies like AI and VR in training programs.
- Government & Private Sector Initiatives for Skill Training
- Overview of government-funded skill development programs.
- Insights into private sector contributions to bridging skill gaps.
- Participate in skill-building sessions with industry experts.
- Engage in collaborative discussions to share insights and experiences.
- Career Pathways & Future Job Opportunities*
- Understand the emerging career opportunities in the global job market.
- Get guidance on skill-based career planning and development.

Sub.:- Skill Development Programme in New Education Policy – One Day
Seminar on April 22, 2025.

Dear Colleagues,

The International Council of Consultants (ICC) and Construction Industry Development Corporation (CIDC) are jointly organizing a Skill Development Programme in New Education Policy on April 22, 2025 at Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal.

The one day Seminar aims to align education with employability by providing insights into the New Education Policy NEP 2020, emphasizing skill based learning to bridge the gap between education and career opportunities.

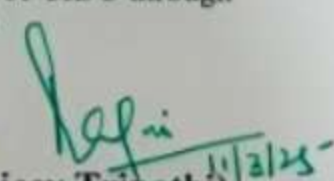

A brochure containing the detailed information about the Seminar i.e. venue, time, registration process, contact persons etc., is attached herewith.

I am sure the participants will be immensely benefitted from the deliberations made during the Seminar.

In view of above, you may like to consider participation from your Institution in the above Seminar as per the enclosed brochure.

For any further query you may kindly contact Ms. P.V. Lakshmi of CIDC through her mobile No. 98107414921 and email ID cidcfbd1@gmail.com
